## DISCLAIMER

The Website is the online business card of the economic activity run by the Controller within the scope specified on the Website. The Website is informative – the Controller uses it to provide, among others, information about the products it sells, the clients with whom it cooperates, and about its certificates and references. The Controller also uses the Website to publish news related to its business activity and information about its team of employees and collaborators. The Website also has a contact form that allows you to contact the Controller. This Website is not an online store or any other such service through which you can directly conclude a contract for the purchase of the Controller's products. Among other things, this means that the descriptions of services and products, catalogues, brochures, advertisements, photos, videos, graphics and other advertising materials, price lists and other information about the Controller posted on the Website should not be treated as an offer.

## TERMS OF USE OF THE WEBSITE

Proper use of the Website requires you to meet the following requirements: (1) a computer, laptop or other multimedia device with internet access, (2) a web browser: Mozilla Firefox 17.0 or higher, Internet Explorer 10.0 or higher, Opera 12.0 or higher, Google Chrome 23.0 or higher, Safari 5.0 or higher, or Microsoft Edge 25.10586.0.0 or higher, (3) minimum recommended screen resolution: 1024x768, (4) enabling cookies and Javascript in the web browser.

The Website is publicly available to all internet users. The use of the Website is free of charge and should be done in a manner that is compliant with the law of the Republic of Poland (including the binding provisions of European Union law and international law, if applicable) and good practices with respect to personal rights, protection of personal data and the rights of the Controller and other individuals using the Website and of third parties, including copyrights and intellectual property rights. Unlawful activities that may hinder the functioning of the Website are prohibited. It is also prohibited to provide unlawful content.

You may opt out of using the Website at any time by switching to another website, or closing the browser tab or web browser.

If you have any problems, comments or questions related to the use of the Website, please contact the Controller using the contact details provided above in these Regulations or the contact form available on the Website. In the description of your enquiry, please provide information and circumstances regarding the subject of the enquiry and, if necessary, the contact details of the contacting person. We will address your request without undue delay, no later than within 14 calendar days.

## **ELECTRONIC SERVICES ON THE WEBSITE**

The Website has a contact form to facilitate contact with the Controller. Its use is voluntary and free of charge. Anyone wishing to contact the Controller can also do this using other methods listed above in these Regulations.

Use of the contact form begins when the contacting person provides the following information to the Controller in the form: their contact details (name and surname/company name), e-mail address and the content of the message. Sending a message using the form requires you to click on the action button under the form – once you do this, the form is sent to the Controller. The use of the form ends when the message is sent through it, or when the contacting person ceases to use it to formulate the message.

## **PERSONAL DATA**

The controller of the personal data collected using the Website in connection with the execution of the provisions of these Regulations is the Controller. The personal data are processed for the purposes, within the scope of and based on the grounds and principles set out in the privacy policy published on the Website. The privacy policy contains, in particular, rules for the processing of personal data by the Controller as part of the Website, including the grounds, purposes and scope of processing of the personal data and the rights of data subjects, as well as information on the use of cookies and analytical tools on the Website. Use of the Website is voluntary. Similarly, the provision of personal data by Website users is voluntary, subject to the exceptions listed in the privacy policy (using the contact form and possible statutory obligations of the Controller, if applicable).

## **COPYRIGHTS**

The copyrights and intellectual property rights to the Website as a whole and its contents, graphics, works, designs and trade marks available on it belong to the Controller or other authorised third parties, and are protected by copyright law and other applicable law. Use of the Website's content for personal use is unrestricted. Use of the Website's content in a different scope requires the prior explicit consent of the Controller or other authorised third parties.

The commercial names, product names, company names and their logos used on the Website belong to their owners and are used only for identification purposes. These may be registered trade marks. All materials, descriptions and photos shown on the Website are used for informational purposes only.

## **LINKS**

The Website may contain links to other websites. The Controller recommends that after visiting other websites, you read the regulations and privacy policy of those sites. These regulations apply only to the rules of use of this Website.
